How many students do you usually have in a class?

Torres, Anamaria

Ankit Jhamb Usually between 20 and 30

Sunkari, Srinivasa

Got the presentation. Thanks...

Ankit Jhamb

Thank you!

Stephanie Taylor

Is the hybrid format going to be in place for the foreseeable future? Was it 100% in-person right before the pandemic?

Diaz, Joshua

Would I be able to qualify if I am not an active member? I do plan on joining ITE and begin attending chapter meetings.

Ying, Wu

how do we find out who in my current company has participated in this program?

Torres, Anamaria

Ying, Wu A list of participants is included by Class year on the LeadershipITE website, but you can also reach out to Sara or I and we want try and track that down for you 😊

Is there a desirable age range for applicants that are selected? I am asking for those of us that are closer to being "middle-aged" than a "younger member". 😊

Torres, Anamaria

Zero age requirement 😊
