A Message from CAS-ITE's 2017 President

I am proud of the Capital Area Section's 2017 achievements. This year, our Section increased participation in our outreach events, such as our Adopt-a-Street program with Keep Austin Beautiful, our Traffic Bowl Scrimmage with the UT Student Chapter, and our annual scholarship fundraiser. We exceeded our fundraising goals not only at the scholarship fundraiser but for our general annual sponsorship. Our meetings continue to be well attended and feature engaging speakers from across our industry. I am also pleased that the Capital Area Section was able to exceed ITE's schedule expectations and file taxes as well and organize as a State of Texas Nonprofit and a Federally recognized 501(c)3 organization.

The great sage Wayne Gretzky once said, "You'll always miss 100 percent of the shots you don't take," and I am so very thankful to each and every one of you who has shown up to take a shot on behalf of our Section. This includes bringing a colleague to a meeting, take on a volunteer role at TexITE San Marcos, writing an article for our newsletter, or making a fundraising ask of your leadership team on behalf of our Section. Your participation is what makes our organization thrive. I would also like to thank Tom Gerrity, James Schwerdtfeger, Alex Reyna, and Rob Belarmino for helping to keep the Section running, particularly with respect to the Joint Meeting and supporting the LAC while I was on maternity leave.

This year, on top of our regularly scheduled meetings, our Section co-hosted the annual Joint Meeting with the South Texas Section, hosted two Traffic Bowl scrimmages in support of the UT Student Chapter, provided over 65 hours of volunteer time for clean-up events, and had its most successful fundraiser since the 2014 Skeet Shoot – both in terms of participation and sponsorships. I am excited to see where the next generation of leadership takes our organization.

With both the Western District-TexITE Joint Meeting in Keystone and the 2019 Annual Meeting in Austin rapidly approaching, now is an exciting time to be a part of ITE, TexITE and the Capital Area Section. We're going to have a busy two years and I offer my sincerest thanks for the support of our local professionals and well as our corporate sponsors not only for the help they have provided for 2017 but for the great shots I know they'll attempt in the coming months.

Best Regards,

A handwritten signature in black ink, appearing to read "Valerie Kaiser". The signature is stylized and fluid.

Valerie Kaiser, P.E., PTOE – 2017 CAS-ITE President

Executive Summary

CAS-ITE had an active and successful year in 2017. Our Section sustained membership participation by continuing to provide great technical meetings and engaging social activities. We have also increased our engagement with our local Student Chapter through social events, engaging a liaison to directly communicate to the Student Chapter, supporting participation in the Traffic Bowl, and scholarship awards.

Membership

The Capital Area Section currently has the following statistical membership grades as of December 31, 2017:

- 120 International ITE Members
- 35 Student Members
- 8 Fellow Members
- 3 Section Affiliates

This year, upon recommendation from the International Board, the Capital Area Section agreed to participate in a universal dues structure for the Texas District (TexITE). After review of all Section Dues for the Texas District, it was agreed that a flat dues rate of \$15 would apply to all members wishing to be International Members with the exception of students, whose membership remains free. For Section Affiliates, our dues remain unchanged from the previous calendar year. CAS-ITE has the following dues structure:

- Active Professional Members - \$15
- Retired Professional Members - \$5
- Students, Life & Honorary Members - \$0

Section Activities

- Our Section held four (4) Section meetings and one (1) joint meeting with the South Texas Section covering a variety of topics.
- CAS-ITE hosted two (2) Traffic Bowl Scrimmages in support of the UT Student Chapter Traffic Bowl Team. These were held in April and July.
- The Section held a TopGolf Tournament Scholarship Fundraiser, which was made possible by 13 corporate sponsorships, generating \$2,470 in additional revenue and allowing CAS-ITE to distribute \$1,000 in scholarship awards.
- The Section continued the Keep Austin Beautiful Adopt-a-Street program and held two (2) clean-ups with increasing attendance at each one. The Section will continue this activity in 2018.
- Overall, Section meetings and social events had a total of 259 attendees over the course of the year.

Section Committees

- The Section's Communications Committee, led by 2016 President Rob Belarmino, was responsible for the development of our semi-annual newsletter. The newsletter includes articles about Section meetings, including local member and Student Chapter participation at District, and International events. It also features members that are "on the move" and provides insight into some of our area's key local projects.
- The Scholarship Committee, chaired by Cody Stone with Jamie Byers, Derek Mueller, and Jake Gutekunst, revised our scholarship application, collected and reviewed completed scholarship applications, and selected our 2017 scholarship winner.
- The Nominating Committee (Brian Van De Walle and James Kratz) identified candidates, collected candidate information, coordinated with TexITE to setup the online election, and counted the on-site ballots for our annual elections.

Section Student Chapter

- CAS-ITE and the UT Student Chapter hosted two (2) Traffic Bowl Scrimmages at Varsity Pizza to provide support for the students' quest to become International Collegiate Traffic Bowl Champions.
- The majority of the attendees of the Keep Austin Beautiful Adopt-a-Street Cleanup are members of the UT Student Chapter. This event remains a positive way to engage with the students while allow all of us to give back to our local community.

Awards/Honors

CAS-ITE presented service award plaques and certificates to the following members:

- Alex Reyna – for providing two (2) years of service as Section Representative
- Valerie Kaiser - for providing three (3) years of service on the CAS-ITE Board (2014-2016)
- CAS-ITE awarded \$1,000 in student scholarships in 2017.
 - One (1) \$1,000 Student Scholarship to the CAS-ITE Scholarship Winner: Krishna Gurumurthy

Finance and Budget

- The CAS-ITE balance forward from 2016 to carry into 2017 was \$1,734.63.
- Retained earnings from 2017 into 2018 is \$5873.53.
- 2017 total revenue was \$9,880 including \$2,450 from our corporate sponsors, \$990 in revenue from special meetings, \$1,240 in Section Dues, and nearly \$5,000 in gross revenue from our scholarship fundraiser.
- 2017 total expenses of \$5,740 included support of our UT Student Chapter (including scholarships) in excess of \$2,100 and fundraising costs of \$2,480.

Introduction

The Capital Area Section of the Institute of Transportation Engineers (CAS-ITE) was founded as a chapter of the Texas District of ITE (also known as District 9 of ITE or TexITE) in 1998, and granted a Section Charter on August 1, 2002. CAS-ITE is one of six (6) Sections within the TexITE representing major urban areas in Texas.

CAS-ITE serves transportation professionals within the Austin area, which includes Travis, Williamson, and Hays Counties. Our members are traffic and transportation engineers, transportation planners, designers, consultants, signal technicians, contractors, vendors, inventors, researchers, professors, students, and policy makers who work to maintain and improve surface transportation systems worldwide.

As a Section we promote the professional development of our members, increase public awareness of our profession, and provide opportunities for the exchange of technical and policy information. Our Section also provides support to our local UT Austin Student Chapter in the form of scholarships, mentoring, preparation for Traffic Bowl competitions, and financial support to attend TexITE and ITE meetings. In addition, we serve as a conduit to provide information regarding the benefits of becoming an ITE member. Affiliation with a Section or Chapter affords individuals an opportunity for local involvement with their peers and to explore the benefits of becoming a member of the Institute and TexITE.

Elected Leadership

The CAS-ITE Executive Board is comprised of five elected members. Results are announced at the Year-End banquet, which is typically held in December:

- President
- Vice President/President Elect
- Secretary-Treasurer
- Section Representative (2 year term)
- Past President

Our 2017 Board Elected Members were:

President

Valerie Kaiser, P.E., PTOE, STP
RS&H, Inc.
Email: valerie.kaiser@rsandh.com

Vice-President/President Elect

Tom Gerrity, P.E., PTOE
Trafficware Group, Inc
Email: TomGerrity@trafficware.com

Secretary-Treasurer

James Schwerdtfeger, P.E.
RPS Infrastructure, Inc
Email: James.Schwerdtfeger@rpsgroup.com

Section Representative

Alex Reyna, P.E., PTOE
Reyna, Inc.
Email: alex@reynainc.com

Past President

Rob Belarmino, P.E.
HNTB Corporation
Email: rbelarmino@hntb.com

Our election results were announced and the officers were sworn-in at the annual holiday banquet on December 1, 2017 which resulted in the following 2018 elected officers:

President

Tom Gerrity, P.E., PTOE
Trafficware Group, Inc
Email: TomGerrity@trafficware.com

Vice-President/President Elect

James Schwerdtfeger, P.E.
RPS Infrastructure, Inc
Email: James.Schwerdtfeger@rpsgroup.com

Secretary-Treasurer

Cody Stone, P.E.
Alliance Transportation Group, Inc.
Email: cstone@emailatg.com

Section Representative

Alex Reyna, P.E., PTOE
Reyna, Inc.
Email: alex@reynainc.com

Past President

Valerie Kaiser, P.E., PTOE, STP
RS&H, Inc.
Email: valerie.kaiser@rsandh.com

Past Capital Area Section Presidents

1998 - Ginger Daniels	2008 - Doug Skowronek
1999 - Brian VanDeWalle	2009 - Gordon Derr
2000 - Steve Venglar	2010 - Alex Reyna
2001 - Rafael Cruz	2011 - Alan Hughes
2002 - David Carey	2012 - Anna Martin
2003 - Michael Heath	2013 - Eric Bollich
2004 - Roy Mynier	2014 - Vivek Deshpande
2005 - Sharon Barta	2015 - Chad Wood
2006 - James Kratz	2016 - Rob Belarmino
2007 - Rene Garza	2017 - Valerie Kaiser

Evaluation of 2017 Goals

Below is a list of the goals identified in last year's Annual Section Report and our evaluation of our performance of those goals.

- Increase public sector participation particularly at the county and city levels.
 - While maintaining MailChimp directory helped, the biggest drivers in attendance is availability, topic presented, and location of the meeting.
- Advance our outreach to the UT-Austin Student Chapter through joint meetings and other events.
 - Jake Gutekunst continued as the CAS Student Liaison in 2017 and is continuing in this role in 2018.
 - We had two activities with the Student Chapter.
 - Two Traffic Bowl Scrimmages on April 13 and July 21, 2017.
- Maintain CAS-ITE scholarship program at \$3,000 in annual distributions.
 - After coordination with the Student Chapter, we restructured the scholarship distributions to a \$1,000 winner at the end of 2017 and at least two (2) winners of a separate scholarship competition in 2018 to offset travel costs to the 2018 Joint Meeting with Western District in Colorado.
- Maintain the Communications Committee and semi-annual newsletter.
 - Continue June/December publication targets.
- File Taxes and Obtain 501(c)3 Status.
 - The Capital Area Section filed taxes in 2017 and received our 501(c)3 status. The Capital Area Section also registered as a not for profit corporation in the State of Texas.
 - Our 501(c)3 tax exempt status allowed us to save money on the scholarship fundraiser and banquet luncheon.
- Identify continuing education opportunities that support the interests of all members.
- Identify and develop future leaders within the organization.
- Create social activities that enhance professional connections among the membership.

- We continued our participation the Keep Austin Beautiful Adopt-a-Street program. Our street segment is 45th Street from Burnet Road to Guadalupe Street in central Austin. We had two cleanups on March 11 October 28, 2017 with increasing professional participation as well has high participation from the UT Student Chapter.

Goals for 2018

Our Section will continue to meet the goals in our charter as well as the following:

- Increase public sector participation particularly at the county and city levels.
 - Continue efforts to improve communications and setting dates that do not conflict with other major events.
- Advance our outreach to the UT-Austin Student Chapter through joint meetings and other events.
 - Have at least one (1) Traffic Bowl Scrimmage before the Joint Meeting with the Western District.
 - Continue to use our Student Liaison to identify activities that the Student Chapter has an interest in attending.
- Maintain CAS-ITE scholarship program at \$3,000 in annual distributions.
- File Taxes and maintain 501(c)3 Status.
 - Engage with TexITE to follow up and provide additional information/support when needed.
- Identify continuing education opportunities that support the interests of all members.
- Identify and develop future leaders within the organization.
- Create social activities that enhance professional connections among the membership.
- Support ITE and TexITE in preparation for the 2019 Annual Conference in Austin.

Membership

The Capital Area Section of the Institute of Transportation Engineers currently provides the following membership grades:

- **Section Members** - Any TexITE (ITE District 9) Member or Affiliate who resides or works within the area designated for the Section, and who is in good standing with TexITE, shall be eligible to become a Section Member and shall become a Section Member upon payment of Section dues. Any member of the Institute of Transportation Engineers (ITE) may become a member of the Section, without residing or working in the Section area, upon approval of the Section members.
- **Section Affiliates** - Any other interested individual who is not a student and who resides or works within the Section boundaries may, at the discretion of the Section, become a Section Affiliate upon payment of Section dues. CAS-ITE had three Section Affiliates in 2017.

Our Section also welcomes both Student Members who are enrolled in a recognized transportation related program at an engineering or planning school and resides within the designated boundaries of the Section.

The Capital Area Section currently has 163 International Members as listed by the ITE website (www.ite.org). Table 1 provides a breakdown of the membership grade of these International Members.

Table 1 - Membership Grade of Capital Area Section International Members

Membership Grade	2015	2016	2017
International ITE	93	83	120
Institutional Affiliate	4	0	0
Student	48	24	35
Fellow	14	13	8
Total Members	159	130	163

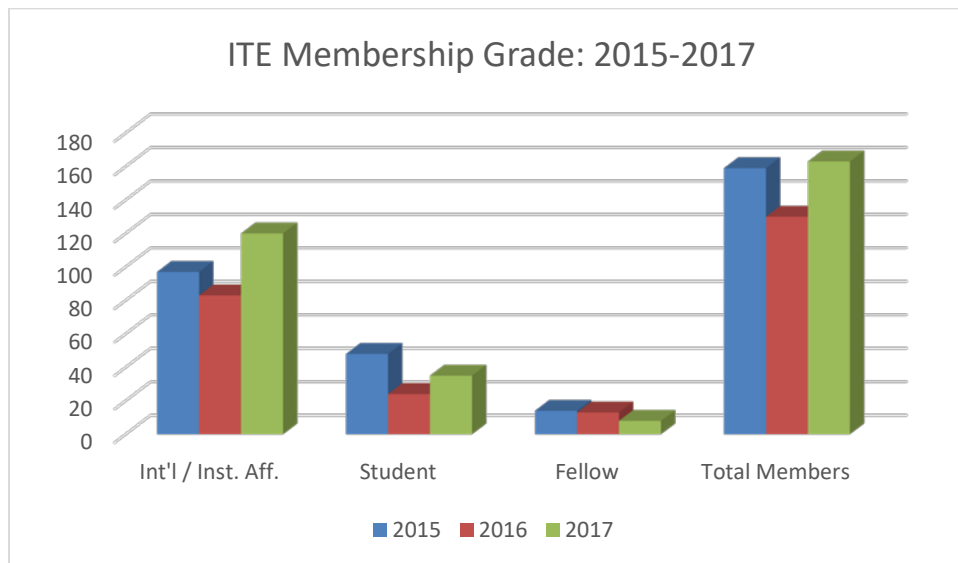

Figure 1 – 2015-2017 Membership Grade Comparison

Section Activities

Section Meetings

The Capital Area Section held regular meetings throughout the year, which included four (4) Section meetings and one (1) joint meeting with the South Texas Section (STITE). The topics covered both technical subjects and policy. As we have done historically, our first meeting was an ethics seminar provided by the Texas Board of Professional Engineers which allows for our members to meet their Professional Development Hour (PDH) requirement in ethics to maintain their Texas licensure. All of the meetings were well attended by affiliate and non-affiliate members. Table 2 shows the summary of the meetings held throughout the year:

CAS-ITE Members participate in active discussion on recent TBPE rule changes and legislative updates.

Table 2 - 2016 Section Meeting Summary

Date	Topic/Event	Speaker/s	Attendance
February 3	Professional Ethics	George Hartmann, P.E. (TBPE)	37
May 12	Capital Metro 2025 Strategic Plan	Sam Sargent (Capital Metro)	20
June 30	Transportation Policy and Activities (joint meeting with STITE)	Representative Ina Minjarez (House District 124) Commissioner Mark Jones (Hays County Precinct 2)	40 (21 CAS-ITE)
August 26	TxDOT Austin Overview	John Nevares, P.E (TxDOT)	22
October 20	CAMPO Overview	Ashby Johnson (CAMPO)	23

Our May meeting featured an overview of Capital Metro’s **Connections 2025 Strategic Plan** program by **Sam Sargent**. Sam discussed Capital Metro’s Strategic Plan which includes both route re-structuring and capital improvements. This was the first presentation from Capital Metro since the 2014 Urban Rail Bond. During this meeting, the CAS board announced two great accomplishments. First, the UT Student Chapter won the Texas District won the Traffic Bowl up in Frisco and would compete in the international competition in Toronto. Second, Alex Reyna announced that Austin was a candidate for the for the 2019 Annual Meeting and Exhibit.

One of our most popular events of the year is our annual Joint Meeting with the South Texas Section of ITE (STITE). This meeting takes place in San Marcos and features a barbecue lunch. This year, we focused on transportation policy and invited Representative Ina Minjarez of District 124 and Mark Jones of Hays County Precinct 2. Representative Minjarez gave an overview of the transportation bills passed by the legislature, including funding allocations for TxDOT. Other bills ranged from legislation to improve safety to better defining coordination between state and local agencies. Commissioner Hays described the challenges associated with a fast growing County and efforts the Commissioner’s Court and other agencies are taking to plan for future growth. He highlighted the Interstate 35 corridor as critical for County mobility and praised the active involvement of TxDOT and CAMPO to develop plans to improve the corridor. He also mentioned steps the County has taken with their transportation bond to address safety and congestion concerns on County corridors.

Our August meeting with TxDOT’s John Nevares, P.E. provided an overview of ITS in Texas and the Transportation Systems Management and Operations (TSMO) initiative. Mr. Nevares described the ITS programs that TxDOT is implementing to mitigate congestion in Central Texas. He described variable message guide signs (shown to the right) to better inform drivers, over-height detection systems, and improving communications to traffic signal infrastructure. He also discussed upcoming professional services projects for consulting companies.

Our October meeting featured Ashby Johnson of the Capital Area Metropolitan Planning Organization (CAMPO). Mr. Johnson discussed CAMPO’s upcoming projects and studies, such as the MoKan Corridor Study and upcoming meetings with local officials in the CAMPO jurisdiction for changes to the project selection process. He also discussed some the population growth projections in the Austin area, as well as a summary of the projected projects in the Austin area.

Social Activities

In addition to the regular Section Meetings, the Capital Area Section held social events throughout the year. These included outreach efforts to support the UT Student Chapter by participating in a Traffic Bowl Scrimmage, fundraising events such as our TopGolf Tournament, as well as service events. Table 3 shows the summary of the social events held by the Section.

Table 3 - Social Events Summary

Date	Topic/Event	Attendance
March 11	Keep Austin Beautiful Street Cleanup	12
April 13	Traffic Bowl Scrimmage with UT Student Members	14

July 21	Traffic Bowl Scrimmage with UT Student Members	17
September 30	TopGolf Fundraiser	36
October 28	Keep Austin Beautiful Street Cleanup	16

Our first and second social events of the year were held with the University of Texas Student Chapter. The first was a Keep Austin Beautiful (KAB) Adopt-a-Street Cleanup held on March 11 as part of the Section’s community service effort. This event was well-attended, with four members from the professionals and eight from the Student Chapter. After the cleanup, the group enjoyed some mud bugs at the Flying Saucer. We held another cleanup Adopt-a-Street Cleanup on October 28th, also well attended by the Student Chapter.

The Clean-Up Crew poses during the March CAS-ITE Clean-up

The second event was a Traffic Bowl Scrimmage where our professionals and student members challenged the 2017 Traffic Bowl Team to several rounds of traffic engineering trivia. Moderated by Jake Gutekunst, students and professionals alike enjoyed food, laughs, and the challenging fun that is a game of Traffic Bowl. The first game was won by the ITE professionals. The UT student chapter came back strong and won the second game, however, and appeared poised for victory at the Spring TexITE meeting. The event brought together the local student chapter and the CAS-ITE for a fun and engaging time to connect, and continues as a tradition each spring. The UT student team went on to win

The students and professionals square off in the July Traffic Bowl Scrimmage

at TexITE, representing the Capital Area Section and UT Austin. A second lunchtime scrimmage was held on July 21 in anticipation of the UT Traffic Bowl Team’s competition in Toronto at the Annual Meeting. This scrimmage had even better professional participation than any of the previous scrimmages in recent memory – which will guide our 2018 scheduling of the event. Unfortunately, the team was unable to bring the trophy back to Austin, however, the Capital Area Section remains ready to help the team in 2018.

The Capital Area Section resumed its Scholarship program in 2012 and started to host a major fundraising event in 2014 to support the scholarship. Previous scholarship events were a Skeet Shoot (2014), Bowling Tournament (2015) and TopGolf (2016). Based on the popularity and success at the 2016 fundraiser at TopGolf, the section held the fundraiser at TopGolf in 2017. We offered multiple levels of sponsorship so companies could create teams – and most did. The event provided three (3) hours of golf with brunch

and the opportunity to compete for individual prizes. **Austin Helton, Eric Poppa, and Scott Feldman** received the top scores and took home the 1st, 2nd, and 3rd place prizes, respectively. Prizes included a gift card and Kindle Fires. Over 30 golfers showed up on a rainy November morning and raised over \$2,400 for the scholarship.

Our final event was the Year-End Banquet held at Threadgills on North Lamar on December 1, 2017. The Capital Area Section enjoyed some of Austin's local cuisine while electing our incoming officers and honoring our past board members. More details on this event are outlined in the *Section Committees* and *Awards* sections of this report.

Section Committees

Capital Area Section Communications Committee

The Capital Area Section Communications Committee, chaired by Rob Belarmino, was responsible for the return of our Section newsletter back in 2015. He continued this into 2017 and released our newsletter in June 2017. The newsletter summarizes our past and upcoming meetings and social events, and provides a services directory featuring our sponsors. Refer to Appendix A for copies of the newsletter for 2017.

In addition to our newsletter, the website (<http://texitecapitalarea.weebly.com/>) is one of our primary ways of reaching out to existing and potential members; it is regularly updated by the Secretary-Treasurer with the latest Section information including officers, membership forms, Section meeting attendance records for PDHs, and upcoming meetings/events.

The Communications Committee has continued its regular use of the MailChimp email marketing service provider, managed by the Secretary-Treasurer, to send out Section information and notices of upcoming meetings and events.

Capital Area Section Scholarship Committee

The 2017 Capital Area Section Scholarship Committee was chaired by Cody Stone and Derek Mueller. The Scholarship Application was announced via e-blast and posted to the website. Jake Gutekunst worked closely with the UT Student Chapter to advertise the scholarship, which was due in early November.

With the support of the Fundraising Committee's TopGolf Tournament Scholarship Fundraiser, which received the strong support of our corporate sponsors with 13 firms acting as sponsors of this event, the Section will be able to award \$3,500 in scholarship funds. The Scholarship Committee received six (6) applications and awarded a \$1000 scholarship to the winner. It was determined that remaining scholarship funds would be redirected in 2018 to a new scholarship that will provide support for student attendance of the Joint District Meeting in Keystone, Colorado. Details about the Scholarship Award winners are in the Awards section of this report.

Capital Area Section Nominations/Elections Committee

The 2017 Capital Area Section Nominations/Elections Committee was chaired by James Kratz and Brian VanDeWalle. The CAS-ITE Executive Board elections are held in

December of each year with the results announced at the Annual Year-End Banquet. The Section Officers began solicitation for the 2017 Section Officer Election at the August meeting and via e-blasts to our members for the positions of Secretary-Treasurer and Section Representative. Cody Stone and James Schwerdtfeger ran unopposed for Secretary-Treasurer and Vice President, respectively. The Election Committee received the two nominations for the Section Representative position, Alex Reyna and Sam Higgins.

The Nominations/Elections Committee administered the election online with the assistance of Gary Thomas, TexITE Webmaster, and collected paper ballots during the Year-End Banquet on December 1st. James Kratz tallied the results and announced that Alex Reyna was re-elected Section Representative. James Kratz then administered the oath of office for the 2018 Officers and Members.

Election Results are announced at the Year -End Banquet

Student Chapter

CAS-ITE has engaged with and provided financial support to the University of Texas Student Chapter throughout the year. The Section and students participated in two Traffic Bowl Scrimmages and two Keep Austin Beautiful cleanups.

For the March 1, 2017 – March 1, 2018 term, the University of Texas ITE-ITS Student Chapter Officers are listed below:

Adam Nodjomian – ITE President
Rydell Walthall – ITS President
William Alexander - VP of Operations
Michael Dunn - VP of Publicity
Cesar Yahia – VP of Membership
Sirjith Balakrishnan – Secretary
Yorguo El Hachem – Treasurer

For the March 1, 2016 – March 1, 2017 term, the University of Texas Student Chapter Officers are listed below:

Krishna Murthy Gurumurthy - President
Stefanos Politis - VP of Operations
Qichun Dai - VP of Recruitment
Scott Kilgore - Secretary
Pragun Vinayak – Treasurer

Awards/Honors

CASITE presented service award plaques, certificates and scholarship awards to the following members:

Alex Reyna, PE for providing 2 years of service on the Capital Area Section Board as Section Representative.

Valerie Kaiser, PE for providing 3 years of service on the Capital Area Section Board.

Krishna Murthy Gurumurthy 2017 Scholarship Winner

Krishna Murthy Gurumurthy was awarded \$1,000 as the 2017 CAS-ITE Scholarship Award Winner. He is a second year Master's student and graduate research assistant for Dr. Kara Kockelman at the University of Texas at Austin. After completing his masters, he intends to pursue my doctoral studies. His research is focused in the area of travel demand forecasting and modeling, specifically dynamic ride-sharing and recently disseminated a nationwide survey regarding this topic. He uses his programming skills to supplement his engineering analysis, proficient in MATLAB and Java.

Krishna is the Past-President of the ITE chapter at UT Austin and participated in the previous Intercollegiate Traffic Bowl. He is a frequent attendee of Capital Area Section functions, including the Adopt-a-Street Clean-Ups. Currently, he the Corporate Outreach Coordinator for the Women's Transportation Seminars' student chapter and aim to encourage next-generation women in transportation.

Finance and Budget

The current CAS-ITE BBVA Compass Bank account balance is \$5,873.53. The 2017 fiscal year began with a balance of \$1,734.63. The Section has maintained strong retained earnings to carry into the next fiscal year thanks to our continued focus on providing more value for our sponsors and a successful scholarship fundraiser. Our Section continues to have engaging technical meetings and fun social events. We also provide our semi-annual newsletter which includes a professional services and vendor directory that advertises all of our corporate sponsors.

Table 4 - 2017 Budget Summary

Total 2017 Balance Forward	1734.63
Income	
Section Dues Disbursements (ITE International)	1201.13
Section Dues CAS-ITE	45.00
Annual Sponsorships	2450.00
Scholarship Fundraiser	4952.74
Year-End Banquet	955.00
Total Income	9878.87
Expenses	
Scholarship Fundraiser	2481.67
Year End Banquet	896.80
UT- Student Events/Support	578.50
Scholarships	1000.00
Total Expenses	5739.97
Balance Forward Year End 2016	6873.53

Figures 2 through 4 below show the Overall Operating Budget Distribution, Section Income Distribution and Section Expense Distribution for 2016.

Summary

The Capital Area Section of ITE had a successful year in 2017. Our Member participation remains high and our Section is looking forward to assisting with the joint TexITE and Western District Meeting this summer in Keystone, Colorado. We will also begin preparations for the International meeting held in Austin in 2019.

Going into 2018, we have 19 corporate sponsors. This commitment from our corporate sponsors has allowed us to maintain our scholarship program and expand our financial support of the UT Student Chapter’s endeavors, such as participating in Traffic Bowl at the ITE Annual Meeting and annual scholarship. Our corporate support also provides the incoming Section leadership a strong level of retained earnings from 2017.

The goals in 2018 are similar to those of years past – increasing member participation and sustaining financial health for the benefit of our members and UT Student Chapter. One major accomplishment for 2017 was filing taxes and obtaining 501(c)3 status. The Section sees 501(c)3 status critical to sponsor support as corporations prefer to categorize their financial support of the Section as charitable contributions. It is our priority to build on successes in 2017 that will attract new, participating members as well as engage existing members. We anticipate an exciting 2018 full of thoughtful technical meetings, fun social events that allow our members to make meaningful professional

connections, and continued support of our member's goals and those of our local students.

APPENDICES

Capital Area Section 2016 Annual Report

APPENDIX A: CAS-ITE SEMI ANNUAL NEWSLETTER, VOL15, ISSUE 1

Capital Area Section of ITE
texite.capital.section@gmail.com

President's Message

By Valerie Kaiser, PE, PTOE, STP

First, I'd like to say that it has been a great honor to be able to serve and represent the Capital Area Section as President in 2017. ITE has been undergoing many changes over the past couple

of years that are coming to fruition this year and it is my goal to shepherd our Section through these changes in as seamless a manner as possible that will benefit our Section and help us to meet our goals of advancing our profession and delivering meaningful technical and social events.

I'd like to thank our immediate Past-President, Rob Belarmino, for his continued support and advice this year as we undergo these transitions and for continuing to spearhead this newsletter. Rob has been a great partner on the board these past several years and I am so glad he has continued to serve our Section with the newsletter.

I also wish to welcome James Schwerdtfeger to the board as our Secretary-Treasurer. Anyone who has filled this role before knows that it is the most critical to keeping our Section activities going - room reservations, budgets/sponsorships, and communications. I thank James for putting so much of his time and attention to the job. I know that with the support of James, Tom, Alex, and Rob, 2017 is on track to be another great year.

As I announced at our May meeting, my personal focus as President for the 2017 year is to get our Section IRS compliant from a tax standpoint and have

us obtain our 501(c)3 nonprofit status. We have formally registered as a nonprofit corporation in the State of Texas and we've made an initial attempt at filing our taxes and getting Federal nonprofit status. We are working with the full support of ITE and TexITE as needed and I believe we'll be able to achieve this goal this year. It is my hope that in doing so, we'll provide greater value to our corporate sponsors and allow us to continue to meet our fundraising and scholarship goals. I'll continue to keep the Section updated with our progress.

This year, we've had some great meetings with the Texas Board of Professional Engineers (TBPE) and Capital Metro and we'll have more to come! Our most recent Adopt-a-Street cleanup was our most successful yet with over 12 students and professional members participating. We're planning on three more clean-ups this year and it is a great opportunity for us to give back to our community and enjoy some social time with our members after the clean-up; if you haven't come out yet, please consider doing so. Our collaboration with the student chapter continues to improve with much thanks to the efforts of our liaison Jake Gutekunst and we're looking forward to supporting the student chapter at the Traffic Bowl in Toronto this year!

Finally, none of this could be happening without the support of our sponsors whom I can't thank enough. It is your generosity that allows us to provide great programming, engaging social events for our professionals and students, and has helped us get our "house" in order with respect to our recent business filings. Thank you! I hope all of our members and sponsors have had a great 2017 so far and I feel confident that we have even more to look forward to for the remainder of the year. I'll see you there!

February 3rd Section Meeting 2017 Kick-Off & TBPE Ethics

By **Cody Stone, EIT**

CAS-ITE welcomed in 2017 section meetings on February 3, 2017, with a presentation on engineering ethics. The meeting was held at One Texas Center in the City of Austin. It was attended by 37 affiliate and non-affiliate CAS-ITE members. **2017 President Valerie Kaiser**, started with an introduction and general section business. She thanked the chapter for their continued support and shared ideas on the upcoming year. Valerie also summarized the 2016 membership, accomplishments, and financial operations.

Secretary-Treasurer Tom Gerrity presented the 2016 CAS-ITE scholarship awards to the winning participants. 2016 saw the highest number of applicants, all of which had impressive academic and professional resumes. Three applicants were selected and the awards amounted to \$3,000. Congratulations to all applicants and recipients and a special thanks to the recipients for attending the meeting!

The CAS-ITE chapter had the pleasure of welcoming guest speaker, **Mr. George Hartmann, PE**, licensing Project Manager for the Board. He discussed engineering ethics and professional practice updates. For the ethics portion, George gave an inspired presentation on the history of the **Texas Professional Board of Engineers (TBPE)** and the key dates along the Texas professional engineering timeline. He delved into the process of filing a complaint to the board, the number of filings they receive each year, and the normal course of action. George also quizzed the audience on how to handle challenging ethical situations that could arise and the best ethical course of action.

In the professional practice update, George discussed the recent decoupling of the PE exam with licensee experience/reference requirements. He mentioned the success of the first exam semester and the expected continued improvement of the application program.

March 11th

Adopt-a-Street Clean-Up

By **Rob Belarmino, PE**

CAS-ITE's participation in the *Keep Austin Beautiful (KAB) Adopt-a-Street Program* 2nd scheduled clean-up date is a resounding success. CAS-ITE had a total of twelve representatives made-up of University of Texas students and regional professionals.

With the **600% increase** in participation, the team was able to split into two teams to thoroughly clean-up the segment of 45th street between Burnet Road and Guadalupe St.

2017 Adopt-a-Street CAS-ITE Clean-Up Crew makes a difference for our community. The perfect weather enabled the team to collect as much as eight bags of waste.

After making a difference and impact to our community, the team celebrated with a crawfish boil style lunch at the Flying Saucer.

As always, we would like to continue to grow participation to this program and we hope to see more members at future clean-up events, one street at a time!

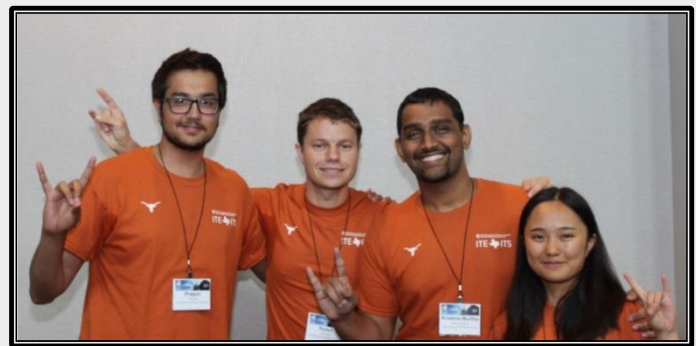

April 13th

Traffic Bowl Scrimmage with UT-Austin Student Chapter

By Jake Gutekunst, EIT

CAS-ITE and the UT-Austin ITE Student Chapter gathered together in Austin, TX on April 13th, 2017 at The Varsity Pizza and Pints to hold a practice competition with the local student team from UT-Austin for their competition at the Spring TexITE meeting. The meeting was attended by 4 members of the Capital Area Section and 10 students from the UT-Austin ITE chapter. 2017 **President Valerie Kaiser**, RS&H, opened the meeting by introducing herself and welcoming attendees, and participated on the team of professionals with Vice President **Tom Gerrity**, Trafficware and other members of CAS-ITE. **Jake Gutekunst**, CAS-ITE member, moderated the competition and provided the questions for the quiz.

The first game was won by the ITE professionals. The UT student chapter came back strong and won the second game, however, and appeared poised for victory at the Spring TexITE meeting. The event brought together the local student chapter and the CAS-ITE for a fun and engaging time to connect, and continues as a tradition each spring. The UT student team went on to win at TexITE, representing the Capital Area Section well and continues to prepare for the annual meeting in Toronto where they will take on the champions from other ITE districts for the national champions.

TexITE – Spring Meeting

By Valerie Kaiser, PE, PTOE, STP

The TexITE Spring Meeting held in Frisco, Texas was yet another success. There were some great technical tours on offer, including the 5 Billion Dollar Mile featuring local developments surrounding the Dallas Cowboy's Training/Frisco High School Football Stadium as well as the Frisco Traffic Management Center/Safety Town. The Frisco TMC is co-located with the City of Frisco's Fire Department and features a completely wireless system that is slated to expand and include some fiber connections. The Thursday night social event included a fun minor league baseball game right next door to the conference.

Please see *SPRING* on page 4

SPRING from page 3

Our own **UT–Austin Student Chapter** was the winner of the TexITE Traffic Bowl and we are looking forward to continuing to support the student chapter on the road to the international competition in Toronto.

Representing the Capital Area Section at the Spring meeting were **John Habermann (TTI)**, who moderated a session on Smart Cities and Innovative Technologies, **Ronnie Bell (City of Austin)**, who spoke on Pedestrian and Vehicle Operator Interactions and elaborating on situations where the rules guiding those interactions are unclear, and **Anna Martin (City of Austin)**, who was part of a panel discussion on Public Agency Traffic Engineering. **Carlton Thomas (ABIA)** spoke on Austin's Experience with Uber and Lyft.

Thanks to everyone who attended and represented the Capital Area Section at this meeting!

Capital Area Members participate in one of the panel discussions sessions at the 2017 TexITE Spring Meeting.

May 12 Section Meeting Capital Metro's Strategic Plan and Capital Projects Update

By **Rob Belarmino, PE**

The second section meeting held on May 12 at the Waller Creek Center with a presentation from Capital Metro's Community Involvement Coordinator, **Sam Sargent, JD**. The meeting highlighted Capital Metro's Strategic Plan, including an update on Capital Projects. The meeting was attended by about 29 affiliate and non-affiliate CAS-ITE members.

President Valerie Kaiser, opened the meeting with a roll-call and section business. Valerie along with **Vice President Tom Gerrity** and **Secretary–Treasurer James Scwerdtfeger** informed the attendees that the UT Student Chapter had won the TexITE Traffic Bowl. The board members congratulated the students on the win and wished them luck at the **2017 ITE Annual Meeting and Exhibit in Toronto, Canada**. In preparation for the International Traffic Bowl, the CAS-ITE will host another Traffic Bowl Scrimmage in July prior to the international games.

Valerie also provided an update on the current CAS-ITE filing as a non-profit organization. She informed everyone that CAS-ITE's previous EIN cannot be reactivated as it has expired and that we would have to re-register as a new Texas non-profit with a new EIN. The IRS will be refund the filing fee back to CAS-ITE. Valerie and Tom also reminded everyone about the upcoming Joint Meeting with South Texas Section and upcoming increase to the annual business card ad sponsorship fee from \$100 to \$150 by June 2017.

Section Representative Alex Reyna added that the Austin Area is a candidate for the new ITE Annual Meeting and Exhibit, while **Past President Rob Belarmino**, reminded everyone that the CAS-ITE is hosting the upcoming TexITE Fall Meeting in September and that anyone who is interested in helping the Local Arrangements Committee should contact **Committee Chair Sabas Avila**.

Sam Sargent, JD outlines Capital Metro's history and current system to CAS-ITE members.

Please see *METRO* on page 5

METRO from page 4

Following the section business, Valerie introduced Sam and provided an overview of his background and presentation. Sam started his presentation by outlining Capital Metro’s history, organization, service area, and system. Capital Metro currently provides transportation services through a fleet of bus, rail, shuttle and ride share services. The system currently has 14.75 million revenue miles and experiences 105 thousand daily ridership, and 32 million annual ridership.

Capital Metro currently offers three types of bus services on its system, which include: MetroBus, MetroRapid, and MetroExpress. MetroBus provides local services and UT shuttle routes, this service is expected to receive major changes as part of Connections 2025 program. MetroRapid is the bus rapid transit system and currently operates in two routes (801, and 803), which has experienced a 20% increase in ridership as of March 2017. MetroExpress provides commuter services through seven routes, which will increase to eight routes with the addition a new Howard Route using the MoPac Managed Lanes.

Capital Metro’s also offers both passenger and freight rail services. The passenger rail services are offered through the Red Line which extends from Leander to downtown Austin. The freight line operates between Giddings and Llano.

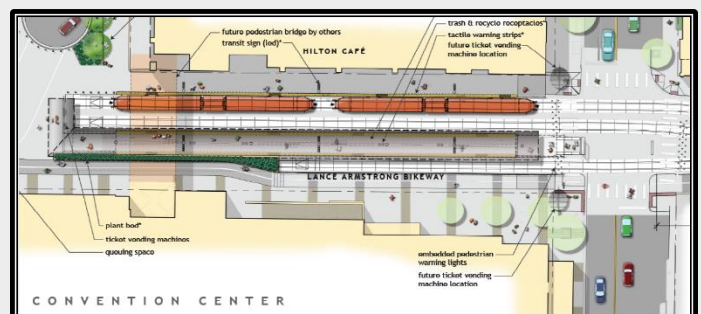

The Red Line began operations in 2010 and currently has nine metro rail stations, and had over 814 thousand in ridership in 2016. The continued ridership growth of the Red Line has prompted Cap Metro to re-evaluate service and improve commuter experience. Capital Metro will use a TxDOT \$50 million grant to add four additional rail cars to their fleet, and develop a new Downtown Rail Station. The Downtown Rail Station project will construct two new tracks to capacity and create a new public plaza near the Austin Convention Center along 4th Street. The downtown project is currently in the 60% design phase.

Moreover, Capital Metro also has a TIGER V Railroad Infrastructure Improvement Program aimed at improving rail infrastructure. This program was developed through a \$35 million FTA grant to provide improvements to track sections, bridges, vehicle improvements and develop new passing tracks. Some of the project locations include infrastructure improvements at the Austin Junction (East 6th Street and Pedernales), Lakeline Station, Crestview Station, and Brushy Creek Trail.

With the increase in rail cars, Capital Metro is also improving their North Operations Rail Maintenance Facility. The project will increase fueling capacity, expand maintenance building, improve safety, and add a track section. This project is scheduled to complete by 2018. Furthermore, Capital Metro will plan to develop a new Leander North Maintenance Facility to further improve operations.

Sam also discussed several park and ride improvements that are being developed. With several facilities at near, or over, occupancy Capital Metro plan to increase parking accommodations at Lakeline, Howard, and South Congress Transit Center. Capital Metro will also develop a new Westgate Park & Ride Facility that will be located between Pack Saddle Pass and Manchaca Road at Ben White Boulevard.

Finally, Sam outlined several of the bus route improvements that are taking place. Some of them include addition of MetroRapid stations for both Route 801 and 803, accessibility and amenity improvements such as shelters for select locations, signing/technology improvements, and connectivity improvements.

Capital Metro’s New Downtown Rail Station Project

June 30 Annual CAS-ITE and STITE Joint Meeting

By Derek Mueller, PE

The Capital Area Section joined the South Texas Section for our annual Joint Meeting in August. The meeting has become a tradition where both sections meet to learn about topics relevant to transportation in both areas. 21 Capital Area members and 15 South Texas Members enjoyed a BBQ lunch at the San Marcos Activity Center. The first speaker was **Representative Ina Minjarez** from Texas House District 124. As a member of the Transportation Committee, she was able to provide insightful information on transportation legislation from this year’s session. Representative Minjarez gave an overview of the transportation bills passed by the legislature, including funding allocations for TxDOT. Other bills ranged from legislation to improve safety to better defining coordination between state and local agencies.

CAS-ITE and STITE members at the June 30 Joint Section Meeting

The second speaker was **Hays County Precinct 2 Commissioner Mark Jones**. As one of the fastest growing counties in the nation, Hays County is experiencing rapid increase in congestion. Commissioner Jones described the challenges associated with a fast growing County and efforts the Commissioner’s Court and other agencies are taking to plan for future growth. He highlighted Interstate 35 as a key concern for County mobility and praised the active involvement of

Section leadership with guest speakers from L-R: James Schwerdtfeger, PE (CAS-ITE), Hay County Commissioner Mark Jones, Texas House Representative Ina Minjarez, and Scott Nelson, PE, PTOE (STITE).

TxDOT and CAMPO in helping to develop plans to improve the corridor. He also mentioned steps the County has taken with their transportation bond to address safety and congestion concerns on County corridors.

In September, many members will return to San Marcos for the TexITE District Meeting.

Member & Budget Status

By James Schwerdtfeger, PE

Capital Area Section of ITE membership registration increased compared to last year. As of July 2017, we have a total of **137 ITE members** as listed on the ITE website (www.ite.org). The membership grade breakdown is shown in **Table 1**.

TABLE 1: CAS-ITE Membership Breakdown	
84	International Members
28	Student Members
13	Fellows
12	CAS-ITE Members (Non-International)
137	Total CAS-ITE Members

This is an increase from the previously reported 135 ITE members in July of 2016. The growth is significantly due to an increase in International Members.

Please see *BUDGET* on page 7

BUDGET from page 6

Table 2 shows the CAS-ITE Balance Sheet as of July 2017.

TABLE 2: CAS-ITE Balance Sheet	
Total 2016 Balance Forward	\$1,734.63
Income	
Section Dues Disbursements (ITE International)	\$801.00
Section Dues CAS-ITE	\$30.00
Annual Sponsorships	\$1,100.00
IRS Refund	\$275.00
Total Income	\$2,206.00
Expenses	
Guest Speaker Lunches	\$90.25
2016 Scholarship Award (Late Remit)	\$500.00
Total Expenses	\$590.25
Account Balance	\$3,350.38

The current CAS-ITE balance is **\$3,350.38**. Current income to-date is from membership dues (both section and disbursement from ITE) and annual sponsorships for a total of \$1,931.00. We have collected \$831.00 in Section Dues and \$1,100 in annual sponsorships as of this month. Expenses are under-reported at this time, showing \$90.25 on UT Student Chapter Traffic Bowl event and \$500 for Scholarships. We expect to pay out reimbursement to assist the UT Student Chapter attend the International Meeting (\$400), reimbursement for tax filings (\$275) and another Traffic Bowl Scrimmage event (\$100). We also expect to continue to bring in additional income through more company sponsorships, as well as, our annual scholarship fundraiser event.

The CAS-ITE Board is developing fun, interactive events and fascinating meeting topics to continue to increase member participation and attract sponsorship funding to our events. This year we have asked our members to participate in an online vote to determine which fundraising activity is likely to get the biggest response.
