TexITE announces its call for papers for the TexITE Technical Paper Award. This award is presented annually to recognize the outstanding technical paper prepared by a non-student member of the Texas District (TexITE).

The submitted paper shall be prepared by either an individual or collaboration and represent initiative beyond the author or author’s routine employment or educational duties. The subject of the submitted paper shall be a transportation issue or project. Paper specifications are described below.

- The length of each paper, including the abstract and references, may not exceed 7,500 words. Each table, figure, or photograph included in the text counts as 250 words. Authors are encouraged to keep papers to the minimum length possible. The total number of words in the paper must be noted on the title page. The reviewing committee will exercise its discretion to consider papers that exceed the maximum length.
- Each paper must have an abstract. The abstract may not exceed 250 words.
- The names, current affiliations, complete mailing addresses, telephone numbers, and email addresses of all authors must be listed on the title page. The title page is not included in the word count.
- All papers must be submitted in English.

Papers should be submitted electronically to Kevin St. Jacques, Texas District Award Coordinator, at awards@texite.org by 11:59 pm (CDT) on May 15, 2020.

The TexITE Awards Committee will meet to select a paper, if appropriate. Questions regarding this call for papers should be directed to Kevin St. Jacques, 214-217-2314.

The award will be presented at the 2020 Fall TexITE meeting in Denton, TX.
