**Fall 2011 Meeting**

SEPTEMBER 14-16 | HYATT PLACE

The Texas District of the Institute of Transportation Engineers (TexITE) is a professional organization for individuals in the transportation field that reside in the state of Texas, although membership is not limited to Texas professionals. Through TexITE, transportation professionals strive to provide Texans a safer, cleaner, and more convenient and efficient transportation system. For more details visit [www.texite.org](http://www.texite.org)
