necessary.**

Texas District of the Institute of Transportation Engineers (TexITE) is a professional organization for individuals in the transportation field that reside in the state of Texas, although membership is not limited to Texas professionals. Through TexITE, transportation professionals strive to help Texans provide a safer, cleaner, and more convenient and efficient transportation system.

For more details, visit www.texite.org

Fort Worth Downtown Hilton

Spring 2011 Meeting
March 24 - 26

Welcome to Fort Worth....

City of Cowboys and Culture

Experience western heritage, world class golf and museums, a little Texas hold'em poker and lip-smacking barbeque at the Texas District of the Institute of Transportation Engineers (TexITE) spring 2011 conference.

Technical sessions will update you on industry issues and then slip on your boots for a little two-stepping, shopping or browsing the unique shops in downtown.
